

# Document that species!

## Little Liverpool Range Initiative iNaturalist Competition

**Who:** You!

**What:** It's time to record groups of flora and fauna within the Little Liverpool Range!

**Where:** Anywhere in the LLR iNaturalist project range!

(<https://www.inaturalist.org/projects/wildlife-of-the-little-liverpool-range>)

**When:** Every month a new group of species is targeted – see below! Competitions run from April through to December of 2021.

**Why:** Help document species across the LLR while aiming to record as many species as you can each month – monthly gift vouchers are available to be won! The 9 months of competitions are broken into three, 3 month periods (see below). At the end of each 3 month period the person who records the most targeted species across all 3 months wins a \$100 Spicer's dinner voucher redeemable at any Spicer's retreat.
